

Great Explorations

CALLING ALL 7TH & 8TH GRADE GIRLS!

About us!

Our club mission is to foster friendships throughout the Bay Area between 7th and 8th grade girls while inspired by the beauty of nature, human creation and the great outdoors. We will meet monthly for an excursion at a common drop off point and caravan to our destination. There will be a talk given at each excursion on a particular topic along the goals of character development, personal discipline and encouragement to improve the world through the practice of virtues in everyday activities. We seek to create the foundation for girls to be leaders that inspire others while leading fulfilling lives based on Christian moral virtues, all while having fun!

The spiritual foundation of Great Explorations

Excursion club for 7th and 8th grade girls is inspired by the teachings of Saint Josemaria Escrivá, founder of Opus Dei, a personal prelature of the Catholic Church that helps people seek holiness in and through their everyday activities. To learn more about Opus Dei, go to www.opusdei.org and www.charwick.org for their mission and other leadership clubs in the Bay Area.
